JUN 2011

Members in attendance: Randy Atwood, John Bowen, and Carol Swanson.

Minutes from May 3, 2011 meeting approved with one correction.

Carol will contact Connexus about the Finish Line bill for the luncheon. Bruce Sayler charged the luncheon on his Connexus credit card.

We decided we should do Thank You cards to the following for their Business Appreciation Luncheon donations:

Rachel Leonard - $300
Connexus - Grill Set
Prairie Restorations - Book
Finish Line - (2) gift cards
Joe Holland - The initial business list

Carol Swanson said she would make a draft thank you and give the draft and the donations list to the clerk to send out formally.

Ideas for the Baldwin Newsletter were to summarize the luncheon, that we will be compiling the survey information received at the luncheon with results to coming soon.

John Bowen will draft info for the newsletter.

Items on initial HCP action plan at the beginning of the grant were: Data collection, networking opportunities/business luncheon, data/info packet for new businesses interested in Baldwin township.

John Bowen will work on the HCP grant close report.

Carol Swanson will work on the HCP new grant report.

Meeting had to recessed due to a Town Board meeting needing the meeting area. This meeting will be continued at a later date.

Meeting adjourn at 6:55pm (2 hours of volunteer time per volunteer)

Minutes respectfully submitted by Carol Swanson.
