**FunFest**

Some brainstorming was done about things to have as part of Funfest. Some of them were:

- Discussed having a raffle and MN raffle rules.
- Zack Good was going to discuss/invite Dave Good, Boy Scout Den Master, regarding the Boy Scouts helping with FunFest, such as with the kid's games as an example
- Discussed having music at FunFest. Billy Zdenek provided music last year and he did a good job.
- Sherburne Mounted Patrol
- North Memorial Helicopter
- Race Cards
- Car Show
- Steam engines (They are not available 9/15/2018)
- Touch-A-Truck

The date was discussed. Previously we had talked about Sept 15<sup>th</sup>. But we decided to leave that open until next meeting to give Terry some time to check with the race car people on their availability.

Advertising was discussed. Some ideas were

- Yard signs – step-in style
- Big signs that we already have, placement and updating
- Get donations for business and have their names on signage
- Posters from Ogilvie Race Track

**Mission Statement**

To make Baldwin Township a proud place to live by safeguarding property rights, encouraging agriculture, commercial communities and residential growth.

- Contact Union-Times/Debbie Griffin for a new article.

Goal for next meeting is to select a date.

#### **Coordinating Dance with FunFest**

There was some discussion about the format, such as street dance style, fire dance, etc. Nothing determined. Also discussion if we would have beer at a dance and acquiring of a liquor license. We thought that the fire department could get one. Or use an organization like the Lions that have a liquor license.
